

A Goodnight Letter From Mom

By Aviva Dunsiger

I got a letter from home today,

And here is what it said:

Dear My Darling Child,

Before you go to bed,

1. Remember to brush your teeth. Use toothpaste and water too.
2. Wash your face nice and clean. Make sure it's shining like new.
3. Take off the clothes you wore today. Put them in the laundry bin.
4. Put on your pyjamas: both the top and the bottom.
5. Turn off the light in your room. Tiptoe to the bed.
6. Crawl underneath the covers. On the pillow, rest your head.
7. It is now time to sleep. Close your eyes nice and tight.

Goodnight, my dear! See you in the morning when it is oh so light.

Love,

Your Mom
