

Listening To Reading

Grade 1

Watch *Math Monsters, Mapping*. Apply what you learned. You may even want to make your own map.

Grade 2

Watch *Maps Show Our Earth*. Share what you learned about the information you can find on a map and what the symbols mean. You may even want to draw part of a map to show what you're thinking.

Word Work

1) Twitter -- #whereisfs - Write clues about where Flat

Stanley might be hiding in our community.

Reply to clues and guesses from others.

2) Write about places in our community. Use the community books to help with spelling difficult words. You can write a blog post, a story, a comic strip, or a Zimmer Twins movie. You can also make a poster or a glog.

Grade 1: Write about community helpers too.

Grade 2: Compare our community to other communities as well.

Read To Self and Read To Someone

1) Community Books

2) Maps

Listening To Reading - Grade 2

Watch Fin's Adventures:
March 2012.

1) How are these communities the same as ours?

2) How are these communities different than ours?

Share what you learned.
